NOTICE TO ALL VOTERS

R.C. 3503.28(A)(1)(6)

Voters must bring identification to the polls in order to verify identity. Identification may include a current and valid photo identification, a military identification that shows the voter's name and current address, or a copy of a current utility bill, bank statement, government check, paycheck, or other government document, other than this reminder or a voter registration notification, that shows the voter's name and current address. Voters who do not provide one of these documents will still be able to vote by providing the last four digits of the voter's social security number and by casting a provisional ballot. Voters who do not have any of the above forms of identification, including a social security number, will still be able to vote by signing an affirmation swearing to the voter's identity under penalty of election falsification and by casting a provisional ballot.

VOTING BY PROVISIONAL BALLOT

R.C. 3505.181

Every voter must provide proof of identity at the time of voting. A person who casts a provisional ballot and does not provide acceptable proof of identity at the time of voting is allowed to provide such proof within 10 days after the election, in accordance with the law.

Proof of identity to be provided to the Cuyahoga County Board of Elections.

WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE.
